

About Us

Trac-It Systems Inc. is a full service Computer Consulting firm located in Georgetown, Ontario serving the Greater Toronto Area. We specialize in providing professional and high quality solutions for your business computing needs.

Whether you are opening a new office or looking to update your current establishment, we can determine your requirements and ensure that you get the proper equipment for the job at hand. For software, hardware, service, and support, our professional and knowledgeable staff is trained to satisfy your needs in a timely and accurate manner.

The Real Estate Industry is something we have specialized in for over 15 years. We work with all of the major Real Estate software companies and have obtained extensive experience in the Quick Office and Lone Wolf products.
